All care will be taken in packaging, but no responsibility can be accepted for loss or damage in transit. Sometimes, orders may be delayed if I am not able to send on a particular weekend. Your understanding is appreciated. (I do travel at times).

### **\*\* SELECTIONS \*\*.**

**Some varieties may not be available, so please include some alternative choices. I have listed the available varieties at the time of updating, but this can always change depending on the growth of each plant.** New varieties will be added as they become suitable to take leaves from.

**\*\*\*\*\* This is very important. I will be taking limited numbers of leaves off plants to allow for growth. Many have just been repotted and will need to grow. \*\*\*\*\*PLEASE include substitutes or, if I need to substitute, I will select something in a similar colour range as much as possible.**

**Sporting of some varieties, especially fantasies and bi colours may occur. This can be due to temperature or growing conditions. I cannot offer any guarantees in this regard. I wait for my plants to flower to check if they are true, but sporting can happen anytime.**

Not sure what to order? Jane can do a mixture of colours if you are unsure of which ones to choose.
