No orders sent on Public Holiday Weekends. All care will be taken in packaging, but no responsibility can be accepted for loss or damage in transit. Sometimes, orders may be delayed if I am not able to send on a particular weekend. Your understanding is appreciated. (I do travel at times).

**** SELECTIONS **.**

Some varieties may not be available, so please include some alternative choices. I have listed the available varieties at the time of updating, but this can always change depending on the growth of each plant. New varieties will be added as they become suitable to take leaves from.

******* This is very important. I will be taking limited numbers of leaves off plants to allow for growth. Many have just been repotted and will need to grow. *****PLEASE include substitutes or, if I need to substitute, I will select something in a similar colour range as much as possible.**

Sporting of some varieties, especially fantasies and bi colours may occur. This can be due to temperature or growing conditions. I cannot offer any guarantees in this regard. I wait for my plants to flower to check if they are true, but sporting can happen anytime.

Not sure what to order? Jane can do a mixture of colours if you are unsure of which ones to choose.

QUARANTINE.

DUE TO QUARANTINE RESTRICTIONS I AM UNABLE TO SEND LEAVES TO NT, WA & Tasmania.

CODEWORD TO PLACE AN ORDER: "Flinders"

Payment before I pack orders. I'm like any other business, no payment, no pack! I pack leaf orders in the order I receive payment.
